

Directions to:

Altura Studio
265 N. Hancock
Portland, OR 97227

503.312.6400
503.201.0986

Our studio is centrally located but a little tricky to find. We're sandwiched in a tiny triangle literally just west of I-5, north of the Rose Quarter Stadium and east of the giant Portland Schools maintenance facility. The studio is located in an unmarked tan building with black metal gate and door. Look for the big, black, "265" over the door. During business hours the door is unlocked, come on inside.

Driving Directions

From I-5 North:

Exit at 302A/Rose Quarter, Broadway & Weidler. Stay in the center lane of the offramp. Proceed through the first signal. At the second signal, turn LEFT onto NE Broadway. Move to the right hand lane on NE Broadway, but avoid the I-5 north onramp. Proceed through 2 signals at Williams then Vancouver. Take the first possible right turn onto N. Flint. (turn under the big billboard and in front of the brick apartment building) Travel one block to N. Hancock. Turn left on N. Hancock.

From I-5 South.

Exit at 302A/Rose Quarter. Follow the City Center branch of the offramp. At the stop sign, turn right and take an IMMEDIATE right turn (it practically feels like a u-turn). You'll be turning in front of a brick apartment building onto N. Flint. Proceed one block to N. Hancock. Turn LEFT on N. Hancock.

From Portland Eastside

Go North on Grand Ave. Turn LEFT (West) on NE Broadway. Travel on NE Broadway in the center middle lane. You'll pass a gas station on your right, then cross over I-5. Scoot to the right hand lane, then make the first possible RIGHT turn onto N. Flint. (You'll be turning under a giant billboard and in front of a brick apartment building.) Proceed one block to N. Hancock. Turn LEFT on N. Hancock.

From Portland Westside

Cross Broadway Bridge. (this puts you on Weidler) Go about 1/4 mile, turn LEFT on N. Williams. At the next block, turn LEFT on NE Broadway and scoot over to the right lane. Proceed 1 block past Vancouver Ave, turn RIGHT on N. Flint. (you'll notice the huge billboard). Proceed one block, turn LEFT on N. Hancock.
